

CUE-Bills

Manage and pay all your bills the easy way with CUE-Bills. CUE-Bills, EPL's bill payment service, is the leading credit union online bill payment product. This technology allows members to manage and pay all their bills and invoices online. A consolidated status report shows billing activity and biller information. Everything is posted on a secure website, so users have complete access to pay their bills wherever they go-whenver they need it.

Classic Bill Pay

- Traditional "Pay Anybody" product
- Appropriate for beginner or intermediate users
- Recurring Payment Options
- Automatic payments – for some or all bills
- Transaction History
- View, Stop and Change Pending Bills
- On-line Enrollment
- Instant Add Payee
- Compile all of your payment information into a single, convenient status report
- No more checks to write, envelopes to lick or stamps to buy.
- All payments are managed online, which give you access to your payments anytime, anywhere you have Internet availability.
- On vacation or on a business trip, you have complete control over your financial bills.

Bill Pay Plus

- Most advanced product
- For the more seasoned bill payer
- Includes all services related to Classic Bill Pay
- Reminders for bills due
- Additional security
